Saint-Maur

An esteemed Cru Classé estate in
the heart of Provence

In Brief

Château Saint-Maur

SAINT-TROPEZ: CAPTURING THE SPIRIT OF CELEBRATION AND LUXURY

Owned by Roger Zannier, Château Saint-Maur is one of the finest properties in Provence. A few kilometres from Saint-Tropez, Saint-Maur is one of only eighteen estates that have been awarded Cru Classé status in the region. Warm summer days, moderated by cooling breezes from the nearby coast and mountains, along with an excellent terroir, are ideal for producing elegant Provencal rosés. Our range consists of the M by Saint-Maur, L'Excellence and Clos de Capelune.

M BY SAINT-MAUR ROSÉ

The M by Saint-Maur Rosé is composed of Grenache and Cinsault with a small amount of Syrah. The fruit is sourced both from the estate and local growers. The wine undergoes a short cold maceration with fermentation in stainless steel tanks. The result is a vibrant wine bursting with cranberries and delicate orange blossom notes.

L'EXCELLENCE ROSÉ

L'Excellence Rosé is the flagship of the estate. Produced from clay-limestone soils rich in schist and quartz, this very elegant rosé is a blend of Grenache, Syrah, Cinsault, Cabernet, Mourvèdre and Rolle. Vinified at low temperature with a cold maceration, it has a bouquet of wild citrus and stone fruits. A very elegant and beautifully refreshing palate leads to a mineral finish.

CLOS DE CAPELUNE

The Clos de Capelune Rosé is a subtle blend of Syrah, Cinsault, Grenache and Rolle. Very elegant and complex with layers of delicate red berry fruits on the palate and a refined mineral note. The vineyard, on the heights of Collobrières, overlooks the Gulf of Saint-Tropez. The grapes are harvested by hand at night to preserve their freshness and then meticulously sorted.

CÔTES DE PROVENCE ROSÉ 2023
DOMAINE PINCHINAT
£9.95

This Côtes de Provence Rosé is an attractive blend of Grenache, Syrah, Cinsault, Rolle, Cabernet Sauvignon and Mourvèdre. Pale pink in colour and light in style, it is a classic Provence rosé to the core. Delicate hints of melon, peach and apricot on the nose are also present on the palate. The finish is persistent and fresh. An elegant example from an understated grower. (O)

VÉNUS DE PINCHINAT VIN DE PAYS DU VAR ROSÉ 2022/2023
DOMAINE PINCHINAT
£8.25

The Vénus de Pinchinat Rosé is a delicate blend of Grenache, Syrah, and Cinsault. Bright salmon colour. Delicate hints of melon, peach and apricot on the nose are also present on the palate. An elegant, organic rosé. (O)

CÔTES DE PROVENCE TOMARES BALLUS ROSÉ 2022/2023
CHÂTEAU ASPRAS
£11.45

Tomares Ballus', explains Sebastien, was a type of butterfly which had disappeared from its native Provence until its reappearance in Correns not long after the town became organic. Many credit the butterfly's return to the careful farming of the community. This is an elegant rosé showing purity of fruit above all else. A beautiful pale pink colour, it has small raspberry fruits on the nose, and there is a roundness to the palate which provides structure and balance to the bright finish. (O)

BANDOL ROSÉ 2022
DOMAINE DE TERREBRUNE
£18.95

Pale salmon in colour, the nose displays aromas of wild strawberry and pink grapefruit with a subtle hint of fennel. This is a textural, savoury and structured rosé; on the palate it shows grapefruit pith and kumquat on entry and then creamy rhubarb pie notes on mid-palate. The finish is refreshing, long and precise. Perfect for drinking now (and especially with a meal) but this there is plenty of depth and focus here to allow for ageing. (O)

LES JARDINS FLEURIS ROSÉ 2022
LANGUEDOC-ROUSSILLON
£5.95

A blend of Grenache and Merlot, the Les Jardins Fleuris Rosé is a beautiful pink colour. Fresh on the palate, replete with bright red berry fruit aromas, cranberries, pink grapefruit, with a sleek finish.

ROSÉ, FRENCH AMBUSH 2022
LANGUEDOC-ROUSSILLON
£7.95

Located in the heart of the Languedoc-Roussillon, in the South of France, Domaine de Cabrials lies on chalk and clay terraces to the west of Beziers. The Domaine has a beautiful 19th century cellar with huge oak casks, today used for the ageing and storage of the wines, this rosé is fairly dry with plenty of berry flavours, nice clean finish too.

ORIGINES ROSÉ TURITELLES, DOMAINE D'ALTUGNAC 2022/2023
LANGUEDOC-ROUSSILLON
£7.60

From altitude in the Vallée de l'Aude in the Languedoc region of France, the name Turitelles refers to the cone shaped marine fossils which litter the vineyard soils and confer a zippy minerality to the wine. Crunchy red berries and peach with a super light and refreshing finish. (VGF)

SANCERRE LE GRAND MOULIN, DOMAINE PIERRE GIRAULT 2022
LOIRE
£12.69

Not that many people have tried a pink Sancerre, but its well worth a try, the colour comes from gently crushing and short contact of the red skins of Pinot Noir. Extremely pale cherry colour with leafy aromas and soft gently dry fruit flavours, with pleasant savoury undertones on the palate.

AROUND THE WORLD WITH ROSÉ

GREECE

TOMH ROSÉ MOSCHOFILERO, TROUPIS WINERY 2022
MANTINIA
£11.75

Made from 100% Moschofilero. Half of the juice is cold macerated for 24 hours, producing a pale pink, elegant colour. A wonderfully aromatic nose showing watermelon skin, a hint of rose petal, and pink grapefruit. The palate is bright, with brisk acidity and notes of quince and citrus zest. A very moreish, enticing rosé. (VGF)

EKATO TROUPIS WINERY 2022
MANTINIA
£12.50

Ekato means 100 in Greek. This wine is the result of a happy mistake. Young Thodoris was preoccupied with his love life and forgot about a tank of Moschofilero, which was still on its skins. When he remembered, he really liked the result and just like that, Ekato was born. Ekato is part of the low intervention range. Light red colour. The nose displays gorgeous pomegranate and summer pudding notes. Pure and clear on the palate with gentle tannins reminiscent of crushed red currants. (VGF)

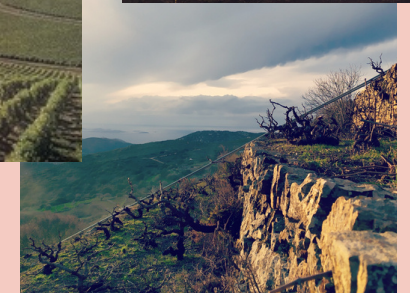

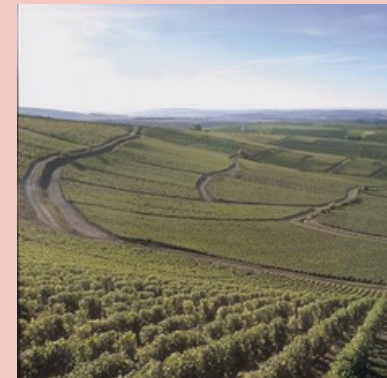

EKHÔ ROSÉ 2021
MANTINIA
£21.25

The vineyard for this wine is located in northern Naxos at 200 metres altitude, just 1 kilometre from the sea. This is a field blend of the red variety Fokiano, and the rare white variety Bastardiko. The ungrafted bush vines are around 50 years old and planted on extremely old volcanic terraces. Onion-skin coloured, with hints of peach and quince. Zesty, with some herbal undertones and hints of mint. This is a structured, serious wine that lends itself well to fine dining.

ABOUT EKHÔ

Ekhô is the brainchild of winemaker Lefteris Anagnostou, who has made his name in Santorini putting the very highly regarded Artemis Karamolegos winery on the map. He is a consultant winemaker for many wineries in Santorini, Crete, and on the mainland. This is Lefteris's first own project and 2021 is the first vintage. He sources grapes for this project from nearby vineyards with contracted growers using select single plots.
